Gasoline and Matches,
Gasoline and Matches,
Gasoline and Matches,
Gasoline and Matches,
Gasoline and Matches,
Gasoline and Matches,
Gasoline and Matches,
Gasoline and Matches, Yeah,

She's Got a paper soul, ready to go,
Ready to go,
Pretty Paper Soul
Ready to... go, up in flames,
Up in flames,
Up in flames,
Up in flames,

Living for the now,
Dancing in the crowd,
So quietly
And yet to loud

Like to play the same game
In love with the lost and found
I need you,... don't even know your name
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches, (guy singing in the background)

We move from town to town,
Looking for the lost and found,
Laughing... knockaround,
I know what you mean,
We got the lines but we play the same scene,
You bring the matches, I'll bring the gasoline,

All the paper souls, ready to go ready to go,
Delicate paper souls ready to... go up in flames,
Up in flames,
Up in flames,
Up in Flames,
Ready to Go... ,

Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Gasoline and matches,
Ready to go...
