"One Kiss"

He is thrown into this world
with nothing more than His life
He lives only for His death
driven by love He hides
His tears
He is sold to His own death

ONE KISS

for me for me
You're broken broken
for me for me
You're broken for me

He knows what He must do for
this world nothing less than purity
He gives His life
nothing less than purity
He gives His life

for me for me
You're broken broken
for me for me
You're broken
for me

why this way for me I don't deserve this
why
in His heart He's holding
His will to die on
His back He carries the weight of the world
up the hill He drags His place of death
lifted up He hangs tortured left to die die

for me for me
You're broken broken
for me for me
broken for me
I will never let go
of Your love Your death
will carry my life to You

I love You
You are my rose
