"Be Alright"

You've got the world upon your shoulders
It don't have to be this way
You can't stop your heart from hurting
Or take the pain away

Life can get a little hard sometimes
But I know it's gonna be alright
I know it's gonna be alright

Be alright, don't worry about tomorrow
You can hold your head up high
Be alright, better days are comin?
You know it's gonna be alright
I know it's gonna be alright

You got to stop and smell the roses
And find the joy in life
You know after all the rain
The sun is gonna shine

Life can get a little hard sometimes
But I know it's gonna be alright
Well, I know it's gonna be alright
Be alright, don't worry about tomorrow
You can hold your head up high
Be alright, better days are comin?
You know it's gonna be alright
I know it's gonna be alright

Be alright
It'll be alright
It'll be alright

Keep believing, keep your head up
God is by your side
And you will see that, you will see that
Everything, yes everything

Is gonna be alright, don't worry about tomorrow
You can hold your head up high
Be alright, better days are comin?
You know it's gonna be alright

Be alright, don't worry about tomorrow
You can hold your head up high
Be alright, better days are comin?
You know it's gonna be alright
I know it's gonna be alright
