Lord, here's my offering
You are the One that takes what I bring
And somehow uses it
For Your glory, for Your glory

It don't add up but somehow it's enough
To lift You up and let the world see
That it's You, it's You
The Maker of all, Lord I believe that

It's You that lives in me
Faithful I will be
And I do everything
For Your glory, for Your glory

Your love is a message that can't be erased
The cross is a story of mercy and grace
Still brings us together today
For Your glory, for Your glory

Broken, humble we fall at Your feet

Lifting our hands together we sing
To You, to You
The maker of all, King of all kings

It's You that lives in me
Faithful I will be
And I do everything
For Your glory, for Your glory, oh Your glory

It's You that lives in me
Faithful I will be
And I do everything
For Your glory, for Your glory

It's You that lives in me
Faithful I will be
And I do everything
For Your glory, for Your glory

Oh, it's You that lives in me

Faithful I will be
And I do everything
For Your glory, for Your glory, yeah

Whoa, whoa, whoa
For Your glory, for Your glory, yeah
Whoa, whoa, whoa, and I do everything
For Your glory, for Your glory
