Get out of my head, get out of my mind  
I'm starting to unwind  
Got a bittersweet smile that I'm trying to hide  
And it's killing me inside

Tell me why?  
Give me back my sanity

I'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mind

Don't get any sleep, don't get any rest  
With this weight upon my chest  
Stop givin? my heart cardiac arrest  
?Cause you're killing me inside

Tell me why?  
Give me back my sanity

I'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mind

Get away, get away from me  
You fed me nothing but lies  
I see through your disguise

Get away, get away from me  
?Cause I'm leavin? it all behind  
For my peace of mind

I'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mind

I'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find

My peace of mind, my peace of mind  
My peace of mind
