I've been down this road before
Had it all but I still want more
I've got the devil knockin' at my door
I'm rich but I still feel poor

I've been trying all my life
To fill this empty hole
But nothing I do on my own
Is gonna satisfy my soul

Only You can satisfy me
And help me make it through
Only You can satisfy me
You and only You

I went down to the riverside
Jumped in just to be baptized
No I ain't never felt so alive
Oh Lord I wanna testify
I've been trying all my life
To fill this empty hole
But nothing I do on my own
Is gonna satisfy my soul

Only You can satisfy me
And help me make it through
Only You can satisfy me
You and only You

You're the only one that's ever gonna satisfy me
I've tasted and I've seen
That the Lord is good all the time
I'm satisfied, yeah, alright

Satisfy me, satisfy me
Only You can satisfy me
And help me make it through, yeah
Only You can satisfy me
You and only You

Satisfy me, s-s-satisfy me
I said only You, You, You

Only You satisfy my soul
Only You can satisfy me
