"She Walks Through Walls"

Pretend, pretend, pretend that I can't see you knocking
down my door
As your silhouette paints the floor
Just like before

Who am I to think that I could be the one to change this
terrible arrangement?
When all I can hear is her breathing

[Pre-Chorus]
I lock the door but she walks through the walls
You won't get my sympathy this time
I lock the door but she walks through the walls, the
walls

[Chorus]
Had eternity and through it away and I'll be damned if I
follow in your footsteps

[Post Chorus]
I've been through the wasteland
I've wrestled your demons
Carried your burden now it's time for you to carry it
yourself

Pretend, pretend, pretend that you can't hear me
begging you to leave
These rendezvous' are getting stale
And out of hand

Who are you to think that you could be the one to force
this terrible engagement?
When I'm wide awake but I'm dreaming

I lock the door but she walks through the walls
You won't get my sympathy this time
I lock the door but she walks through the walls, the
walls

Had eternity and through it away and I'll be damned if I
follow in your footsteps

I've been through the wasteland
I've wrestled your demons
Carried your burden now it's time for you to carry it
yourself

I've been through the wasteland
I've wrestled your demons
Carried your burden now it's time for you to carry it
yourself

In your eyes I see a ghost
Break the glass by throwing stones
And I'm braced for anything
I'm braced

The glass will break [2x]
