Visit "[My Kind Of Collision](#)" on MotoLyrics.com

Are you afraid?
Of being saved or
Are you just in the way?
Standing alone or
Are you just on display?
For passers by to take
A turn to laugh and wave.

Well I am afraid.
That you've been misinformed,
But yes you can stay.
Just keep in mind
That you've been lied to today.
If this collision makes you head spin,
Look away.

Break me,
Darling don't be fake, see...
Cuz this is my kind of a scene,
Meant to make you see,
My kind of a scene.

Are you afraid?
Of being saved or
Are you just in the way?
Standing alone or
Are you just on display?
For passers by to take
A turn to laugh and wave?

Oh, well I am afraid.
That you've been misinformed,
But yes you can stay.
Just keep in mind
That you've been lied to today.
If this collision makes you head spin,
Look away.

So just break me,
Darling don't be fake, see...
Cuz this is my kind of a scene,
Meant to make you see,

And my kind of a scene.

Break me, darling don't be fake, see...
Cuz this is my kind of a pill,
Smile and just keep still,
And my kind of a thrill.

And we're no where
Close to reaching the end.
This feels so strong
It's like a shot to the head.
