Blindest bid amongst the temples  
Of shame and torment sins  
Blind we walk with father winds  
Of knowledge long ago...  
From an age of wrath and might  
Sins of torment reign  
Blackest depth of northern souls  
Wallow in its grave  
Dark supreme amongst you all  
I question who is Lord?  
Dream to me a sorrowed path  
Of unholy ways to come  
In an image of might and sin  
Torment shadows reign  
From black depths may mighty be  
The soul of warriors lost  
Welcome to my world of woe  
Where sorrow reigns supreme  
Blinded by darkness, shadows be  
Forever lost in time...  
Open up your soul and release  
Your mortal desires unto me

Bestowed upon an ancient throne  
Longing to be set free  
To ride amongst bitter cold winds  
To ride with the storm  
Hear the echoing call of blackest fates to be  
Feel the power of the darkest lord  
Writhing in the north  
Above whose powers shalt be  
The mightiest of them all  
To reign supreme amongst the false  
Crushed into sands of time  
Lost in decades of fate  
And destined to never return...  
Worlds shall suffer, bonds shall break  
To times of unknown fate  
Of what lies beyond these gates  
Destined i am to dwell  
Alone and cold with hopes of promised fate  
Wander in forgotten realms
