If only I could capture
All those unbelievable harmonies
And solar tears of love
That your magic gives me
The days we spent together

If only I could thank you
Enough for what you give me
For those silences full of Melodies
The life we're sharing
The years we spent together
Immortal sensation
Angel's grace
Our force

It's Beautiful
So Beautiful
Beautiful
So Beautiful

If only I could live my time
Knowing this is the part of life
We all could feel
Inside our eyes
There is the same light
It comes from a far place
We all need that grace
