Hey!

Man Iâ€™ve got something positive to say
You donâ€™t have to take it in a crazy way
Iâ€™ll take on the responsibilities
Sing good values to the community

Nowadays trends are based on hate
On videos of people trying to look rich
Showing Mercedes, Tits and nice asses
Damn! When millions are still crying

Itâ€™s a reality we have to yell out
Bullshitâ€™s expanding on our TVs
And awful music for the mass
Is switching off our consciousness

Their trick is to show all their pleasures
Those that we think we do not have
They're defiling life's values
Will we be able to change this?

The worst slavery
Is the one that's voluntary
We are all involved in this
Fucking conspiracy

Hey!

Man I canâ€™t stand it for a minute more
Social disasterâ€™s burning the air
Yeah two thousands years have passed
But we still havenâ€™t got any sense

Seneca told it with the letters
Mailing thoughts we didnâ€™t get
We believe everythingâ€™s changed
(So) Man Tell me whatâ€™s the senseâ€¦
