We are one with our sound
We are one
We are one and we won't go down
You should believe what says my mouth

Three years ago we started our fight together
And we have made it
And we will continue and
Till our souls gotta go to hell
We will be the devil in you and

Don't waste time,
You must run straight,
Do what your mind say and that's it
Don't stop it
Let it free
Your life gotta fly
As there's no tomorrow

It's my time
That's my way
You might walk it
To your risk, yeah
You'd enjoy us
Or leave us
Run away and don't try to take us in.
