Are you braced to change your views?  
To pile up all your beliefs?  
'Cause we're gonna take you all  
Thru a shortcut  
But we're not thieves

I said it's a short cut  
Even it's not really short  
Cause it burns most of how  
We act, think and also fuck

Westernization  
Democratization  
Values they taught  
Unnoticed obligation

Slaves of these deceits,  
Too deeply internalized.  
Listen to us, young guys!  
Go protect your minds

GO  
We're gonna party  
YEAH  
No one can tell us NO  
Cause now we're gonna  
TOUR ALL OVER THE WORLD  
GO  
We're gonna party  
YEAH  
No one can stop us NOW  
We leave the message all over the world

We worked for generations  
Sacrificing other's freedom  
Killing each other  
To gain something we lose  
Every time we die.

Don't you feel that it's wrong?  
The life's conception we were taught  
Cannot keep us quiet anymore

Na na na na na na na na

It cannot keep us quiet anymore!  
Na na na na na na na na

The bastards want us to believe  
War is the way to feel free  
No other ways to live in peace  
Fuck 'em all!  
They cannot keep us quiet anymore!
