I wanna roll inside your soul  
To know the things that you need and feel  
Every time that you're by my side  
I can't get serious  
Because you got me

Cold chill down my spine  
No, no more tears, show me a smile  
Cold chill down my spine  
No, no more tears, give me a smile

Baby, baby  
Why can't we just stay together?  
Yeah, yeah, yeah  
Baby, baby  
Why can't we just stay forever?  
Yeah, yeah, yeah

Deep inside, I know you need it  
Just let it out, and get it on  
You gotta feel it  
Every time that you're by my side  
Just think it over  
I'll make you laugh

Cold chill down my spine  
No, no more tears, show me a smile  
Cold chill down my spine  
No, no more tears, give me a smile

Baby, baby  
Why can't we just stay together?  
Yeah, yeah, yeah  
Baby, baby  
Why can't we just stay forever?  
Yeah, yeah, yeah

Baby, baby  
Why can't we just stay together?  
Yeah, yeah, yeah  
Baby, baby  
Why can't we just stay forever?

Yeah, yeah, yeah

Baby, baby, baby

Baby

Baby, baby, baby

Oh baby, oh

Baby, baby

Why can't we just stay together?

Yeah, yeah, yeah

Baby, baby

Why can't we just stay forever?

Yeah, yeah, yeah

Baby, baby

Why can't we just stay together?

Yeah, yeah, yeah

Baby, baby

Why can't we just stay forever?

Yeah, yeah, yeah
