"Rise To Me"

Big mountain
Wide river.
There's an ancient pull.
These tree trunks.
These stream beds.
Leave our bellies full.

They sing out.
I am gonna stand my ground.
You rise to me and I'll blow you down.
I am gonna stand my ground.
You rise to me and I'll blow you down.

Hey Henry.
Can you hear me?
Let me see those eyes.
This distance.
Between us.
Can seem a mountain size.

But boy.
You are gonna stand your ground.

They rise to you, you blow them down.
Let me see you stand your ground.
They rise to you, you blow them down.

My darling.
My sweetheart.
I am in your sway.
Too cold times.
Comes spring time.
So let me hear you say.

My love.
I am gonna stand my ground.
They rise to me and I'll blow them down.
I am gonna stand my ground.
They rise to me, you'll blow them down.
Cause I am gonna stand my ground.
You rise to me and I'll blow you down.
