You belong to the gang and you say you can't break
away
But I'm here with my hands on my heart
And our families can't agree, I'm your brother's sworn
enemy
But I'll shout out my love to the stars

So wait for the stone on your window, your window
Wait by the car and we'll go, we'll go

When first we laid eyes, I swore to no compromise
'Til I felt my caress on your skin
Well, how soon we were betrayed, your sister gave us
away
And your father came all unhinged

So wait for the stone on your window, your window
Wait by the car and we'll go, we'll go

My O Valencia
With your blood still warm on the ground
Valencia
And I swear to the stars, I'll burn this whole city down

All I heard was a shout of your brother calling me out
And you ran like a fool to my side
Well, the shot, it hit hard and your frame went limp in
my arms
And an oath of love was your dying cry

So wait for the stone on your window, your window
Wait by the car and we'll, go we'll go

My O Valencia
With your blood still warm on the ground
Valencia
And I'll burn this whole city down

Valencia
With your blood gettin' cold on the ground
Valencia
And I swear to the stars, I'll burn this whole city down
