I need a night off but I'll take all year  
Will you take any message?  
I need a night off  
I can't stay here  
I'm sure to find a way out  
Of this  
I need a night off just read my lips  
Are you getting the message?  
I'm sick as a dog  
But I'll just say this  
You're as sick as I am  
So what do you think about me?  
What do you think about me?  
Everyone around me  
Is driving me mad  
Here I go  
Along this road  
Feeling I don't want to slow down  
These days of obsession  
I need a night off because life's too dear  
Let me show you my photographs  
See me work  
See me rest  
See me play  
O I'm sure I had it better  
Back then  
So what do you think about me?  
I couldn't live without me  
But everything about me  
Is driving me mad  
Here I go  
Along this road  
Feeling I don't want to slow  
Run so hard  
I lose my breath  
One thing I don't want to know now  
These days of obsession  
Delirious  
& uncertain still  
& will they always stay  
Uncertain still?
