don't ask me why, don't ask me why  
I'll join the army, the Salvation Army  
but it didn't help  
don't ask me why, but don't ask me why  
I joined the army, but it drove me barmy  
and it didn't help  
hideous towns made me throw up  
don't ask me why, don't ask me why  
I went into service with the Civil Service  
but it didn't help  
don't ask me why, [yet] don't ask me why  
I went into service but it made me nervous  
and it didn't help  
ooh, hideous towns made me throw up  
and sticks and stones may break my bones  
but words will just finish me off  
you're near enough  
[oh-ho], my [hopeless/helpless] youth [it's/just] so  
[unclean/uncouth]  
[as that oh], I'd, I'd like to be in history  
I said [I'll get] my, that [hopeless/helpless] youth just  
so [unclean/uncouth]  
so there you go, and now you know  
but just please don't  
don't ask me why, don't ask me why

I went to the circus, Piccadilly Circus  
it was very strange  
don't ask me why, 'cause I don't know why  
never one to roam, we took the first bus home  
and I haven't changed  
ooh, hideous towns made me throw up  
and I know sticks and stones may break my bones  
but words will just finish me off  
you're near enough  
yes they do  
said oh, my [hopeless/helpless] youth [they're/it's] so  
[unclean/uncouth]  
said oh, and I'd, I'd like to be in history  
said [I'll get] my  
that [hopeless/helpless] youth [is/was] just so  
[unclean/uncouth]

so there you go, and now you know  
but just please don't  
please, please, please, said [I'll get] my  
that [hopeless/helpless] youth just so [then/down]  
[oh-ho], [you know/yeah my] [hopeless/helpless] youth  
it's really very young  
[just/she's] really very young
