when the weather's fine, when it's sunny outside  
think about the time I kicked a boy 'til he cried  
oh, I could've been wrong, but I don't think I was  
he was such a child  
when I am alone, I remember so well  
how merrily I tripped a boy so he fell  
and I could've been wrong, but I don't think I was  
he was totally wild  
and I've been wondering lately

just who's gonna save me  
now I have a cold, and no story to tell  
and I'd marry you but I'm so unwell  
and although I could've been wrong  
well I don't think I was  
he was totally wild  
and I've been wondering lately  
just who's gonna save me  
you just should've been [warned/wise]  
[oh/our] hysterical child  
where'd you learn to do that
