I know that you want my man  
I know you been makin plans  
I know you wanna be me  
You know it will never be  
You thought you had be fooled  
Thought I didn't have a clue  
All along I knew the truth  
And now the jokes on you!

Don't think that I don't see you lookin  
'cause it's so obvious when you come around  
That you wanna start blushin and touchin...  
I see the way that your checkin him  
You must be outta mind to ever think  
That he would wanna leave me...

I know that you want my man  
I know you been makin plans  
I know you wanna be me  
You know it will never be  
You thought you had be fooled  
Thought I didn't have a clue  
All along I knew the truth  
And now the jokes on you!

How long will you keep on tryin...  
You just keep on flirtin  
Tryin to get him open  
But it's all in game  
'cause he aint believin  
Tell you what you should do.....  
Find someone who wants you!

I know that you want my man  
I know you been makin plans  
I know you wanna be me  
You know it will never be  
You thought you had be fooled  
Thought I didn't have a clue  
All along I knew the truth  
And now the jokes on you!

I know you wanna be in my shoes  
But you can't do what I do  
You'll never be the woman I am  
And he's much too much man for you  
Can you tell me why u wanna man that's already  
someones man  
Fix it, it's out of your hands,  
Time to stop this 'cause it's gettin out of hand..

I know that you want my man  
I know you been makin plans  
I know you wanna be me  
You know it will never be  
You thought you had be fooled  
Thought I didn't have a clue  
All along I knew the truth  
And now the jokes on you!
