Faded photographs in my old desk drawer
I'm grateful for the days that left me with smiles
Precious times when I cherished all that I had
Each step has become a precious memory

I wonder if you look at the photographs too
I wonder if you are still the same
Whether I still live on in your heart
I'm curious but I will try to hold on

Because I know that no matter how much we try to turn
back time
We are no longer who we used to be

I'm going to let go of the last remaining hope
I will step aside so you can move on
My love for you is not enough
I hope you find someone who will fill up that empty
space
I hope you let go of our memories
I wish you happiness

Even if you miss me from time to time
Even if you meet somebody new
Even if you miss the days gone by
Please don't be sorry

I will still love you
Even if I am able to go back to the days
When I didn't know you

I'm going to let go of the last remaining hope
I will step aside so you can move on
My love for you is not enough
I hope you find someone who will fill up that empty
space
I hope you let go of our memories
I wish you happiness

Please don't regret the days gone by
Just remember the good memories that we shared
When all that mattered was us

If we ever meet again
I hope to see you with someone who treats you well
I hope we can both smile
I hope for that day to come

Until that day
I hope you are well
