Crawling under my skin
I never knew a love so deep within
Silence...
Can you here me crying?
Do you want me,
Like I want you?
Silence...

I never knew a love like this before
That stepped up in my life
And laid down at my door

Crawling under my skin
I never knew a love so deep within
Silence...
Can you here me crying?
Do you want me,
Like I want you?
Silence...

I never knew a love like this before
That stepped up in my life
And laid down at my door

I love you
I do love you...

Crying...
Can you here me?
I know that you think it's untrue
How could I ever live and be without you?
Know that you've been there for me
Forever will I thank you for eternity
I'll love you forever more
Forever more
Forever more
Forever more
Forever more
Forever more

Crawling under my skin
I never knew a love so deep within

Silence...
Can you here me crying?
Do you want me,
Like I want you?
Silence...

I love you
I do love you...

Crawling under my skin
I never knew a love so deep within
Crawling under my skin
I never knew I love so deep within
Silence...
Can you here me crying?
Do you want me,
Like I want you?
Silence...
