Fill my tub  
Top it up  
I don't like water  
Can I do this?  
I'm feeling sick  
I'm gonna drown  
Still I wonder what it's like to breath  
Help me in  
And hold me under  
Don't give in  
Feel me struggle  
Don't give in  
Gonna drown  
Watch me bubble now I'm breathing in

I've O.D.  
Blow my head off under water  
Empathy is the drug in demand  
Breath in  
You won't save me  
Breath in  
It's tasty, yeah  
You won't change me  
Breath in  
I've O.D.  
Blow my head off under water  
Empathy is why I do all I can  
That's why I do all I can

Fill my tub  
Top it up  
I don't like water  
Can I do this?  
I'm feeling sick  
Gonna drown  
Watch me bubble now I'm breathing in

Breath in  
You won't save me  
Breath in  
Yeah, it's tasty, yeah  
You won't change me

Breath in  
I've O.D.  
Blow my head off under water  
Empathy is the drug in demand  
I've O.D.  
Blow my head off under water  
Empathy is why I do all I can, yeah  
I've O.D.  
Blow my head off under water  
Empathy is why I do all I can  
That's why I do all I can

Fill my tub  
Top it up  
I don't like water
