Last Saturday night
At a neighborhood dance
A boy and a girl
Were makin' romance

As I danced their way
I heard the girl say
I want a rock and roll wedding
A rock and roll wedding
A rock and roll wedding
Then I'll be satisfied

I want to love someone forever
Forever and ever and ever
So take me and make me
Your rock and roll bride

I couldn't forget
What I heard her say
'Cause deep in my heart
I felt the same way

I just couldn't wait
So I said to my date
I want a rock and roll wedding
A rock and roll wedding
A rock and roll wedding
Then I'll be satisfied

I want to love someone forever
Forever and ever and ever
So take me and make me
Your rock and roll bride

I want a rock and roll wedding
A rock and roll wedding
A rock and roll wedding
Then I'll be satisfied

I want to love someone forever
Forever and ever and ever
So take me and make me

Your rock and roll bride

So take me and make me
Your rock and roll bride
