Dear Juliette,  
I've been writing tacky poetry  
Lately I've been wondering  
If your over me  
Are you still there  
Do you still care?

Dear Juliette,  
Have you found love yet  
Cause I'm calling you all the time  
Dear Juliette,  
Don't your forget  
That your always on my mind  
Your always on my mind  
Your on my mind

Dear Juliette,  
It feels like  
It's been forever  
Lately I've been wondering  
If you've ever  
Dug yourself a whole so deep  
You can't even see the stars  
I always spend all those nights  
Wondering where you are

Dear Juliette,  
Have you found love yet  
Cause I'm calling you all the time  
Dear Juliette,  
Don't your forget  
That your always on my mind  
Your always on my mind  
Your on my mind

Dear Juliette,  
Do you regret  
How you ran away  
Leaving me here for dead  
I've been trying to make it seam  
Like it was all a dream  
And one day I'll wake up

And you and me  
There will be nothing between

Dear Juliette,  
Have you found love yet  
Cause I'm calling you all the time  
Dear Juliette,  
Don't your forget  
That your always on my mind  
Your always on my mind  
Your on my mind

Dear Juliette,  
Have you found love yet  
Cause I'm calling you all the time  
Dear Juliette,  
Don't your forget  
That your always on my mind  
Your always on my mind  
Your on my mind
