Hey diddle diddle
The cat and the fiddle
The cow jumped over the moon
Lately theirs been three words I've been
Dying to say to you
Humpty Dumpty sat on a wall
Me and him both had a great fall
Like when I fell for you

You could be a princess in a
Storybook
You could wear that big white dress
You'dbe a, Beauty in distress
I would be your knight in shineing
Armour
Or at least I'd try,
Cause if I didn't take this chance
I swear I'd die

I see the moon
And the moon sees me
So lets runaway
As far as we can be
From those city lights
That keep you up at night

This same old storys getting old
Or so I'm told,

You could be a princess in a
Storybook
You could wear that big white dress
You'dbe a, Beauty in distress
I would be your knight in shineing
Armour
Or at least I'd try,
Cause if I didn't take this chance
I swear I'd die

Now I lay me down to sleep
I pray to you my heart you'll keep
All the kings horses and all my friends

Couldnt ever put it
Back together again.
