Lordy, lordy, we're so sorry.
We didn't mean to step on any toes this time.
We must be out of focus, out of control, out of our
minds.
No one will be as perfect.
No one will skim the surface.
No one will be as innocent, yet belligerent as you.
No one will be as perfect.
No one will skim the surface.
No one will be as innocent, yet belligerent as you.

And all of the sins
That we have been committing.

And all of the sins
That we have been committing.

We are the ones you love to hate,
With the accusations that you make.
It just feeds the fire, and we're all tired
Of the high school two-faced drama.
It's nice to know that you're so concerned.
We're alive and well, so worry about yourself.

Maybe, we should just lay low.
I'm not trying to catch the blame for this.
And hear all the i told you so's,
The why's, and what were we thinking's
