You say you listen, but you never seem to understand.
You want a man you want a man you want a man
You say you listen but you never seem to comprehend.
You want a man you want a man you want a man
If you gotta go baby
Baby girl just let me know
Don't give me no show baby
Baby girl just let me know
If you gotta go baby
Baby girl just let me know
Don't give me no show baby
Won't you Wont you just let me know.
Listen Up Listen UP Listen up now.
You keep me up, you keep me up all night girl
You gotta thinking wanna se you in my dreams
Why you always gotta be so fly girl
You got me dropping lines to get you here with me
I'll do what you want me to do babYou got my heart and
mind both going crazy
So tell me what just tell me what to do girl
Now I'm here with you.
So check it out, I've got it all, all written
Out
The evidence is pulled with pens and paper now
Don't hesitate
When the moments gone, we both want what was lost
Why don't we keep doing what we do baby
If you gotta go baby
Baby girl just let me know
Don't give me know show baby
Baby girl just let me know
If you gotta go baby
Baby girl just let me know
Don't give me know show baby
Wont you wont you jsut let me know
Listen up Listen Up Listen UP Now
Lets switch it up and shake it up and shake it up
Listen up listen up listen up now
You keep me up, you keep me up all night girl
You gotta thinking wanna se you in my dreams
Why you always gotta be so fly girl
You got me dropping lines to get you here with me

I'll do what you want me to do baby
You got my heart and mind both going crazy
So tell me what just tell me what to do girl
Now I'm here with you.
I'll do anything you want me to babe
I'll do anything I'll do anything
