I'm leaving

The time to go has come

Don't fear

My dear, it's all right

There is no need at all to cry

I know it's time to say goodbye

But it was fun to play in a good carousel...

In a good carousel...

I'm sorry

There's nothing I can do

My darling

I love you more than life

My eyes become all white and dry

The light is vanishing too fast

But it was fun to play in a good carousel...

In a good carousel...
