You put a spell on me honey  
You come to make it true  
You give me all the pleasure and sow the seeds of lust  
You - everywhere - centre of my disgrace  
You - everywhere - cover my eyes and take it all the  
pain

This time I've come for you darling  
This time I see the truth  
Your lips on my skin  
Hearts on the loose, Iâ€™m burning the night for you

Can't take this feeling honey  
Your ways are hot and cruel  
Your eyes keep telling me how blue and gone I am  
You - everywhere - centre of my disgrace  
You - everywhere - cover my eyes and take it all the  
pain

[CHORUS]

You say the word that makes me feel the pain of love  
But after all I'm getting closer to your heart  
You know I'm burning the night

[CHORUS]
