She's not innocent!

She has the beauty of the youth  
She's always coming back for more  
When she laughs  
You are there  
I have nothing else to say...  
Can't you see what's goin' on?  
You're only a fool, a toy for fun  
I'm sorry to tell' ya - oh  
She's not innocent!

She's coming back again  
Are you ready to go?  
She's coming back again  
She's not innocent  
She's coming back again  
Are you ready to go?  
She's coming back again  
She's not innocent

You have the kindness of a fool  
You are in love - Don't get me wrong  
When she cries  
You are there  
Are you ready to obey?

She's right to take you higher  
You want to play with fire  
You've got a girl for hire - Bitch!  
You are the innocent

[CHORUS]

I've got nothing to say  
I ain't said before  
Cause' it's better being alone  
Than come along with a whore  
She's not as shy  
As you thought she was  
You've got a billion Dollar baby and she's begging for  
more

You are the joke of the day  
You have the money to pay  
But if you want the girl beware her deadly snare

[CHORUS]
