I don't wanna cry  
And I can't only sleep  
My pain  
Needless to say  
I'm here without you  
I'm lost in the air  
That breeze I cannot follow  
You're not mine  
But my mouth  
Still tastes the wine...

I don't wanna be like you  
I don't wanna cry for you  
And pray  
I'm goin' away  
I hate you darling

Stop haunting me  
Deep inside I can feel how love is haunted  
Stop haunting me  
... And I can't pretend anymore

I'm losing my heart  
Flowing like the wind  
My pain  
Needless to say  
I hate you darling  
I wish I could tell you  
How you made me feel  
The worst to date  
But my heart  
Still bleeds without you...

[CHORUS]

I keep my feelings away  
But it's still, wants to stay  
... It's you! You!  
I wish I could tell... I hate you

Stop haunting me  
Deep inside I can feel how love is haunted

Stop haunting me  
... And I can't pretend...  
Stop haunting me  
Deep inside I can feel how love is haunted  
Stop haunting me  
My heart's still on and now it's time to go  
Stop haunting me  
... And I can't pretend anymore
