I am a creature lost in time  
I am a figure that always hides in the dark  
I am a traitor of all mankind  
I am the reason why you and I have to die

And you face your fears and pray  
And I face you, my dear prey  
I'm in love and tied  
Lost in time  
I am the...

I would like to be free to love  
My soul is trapped in thy hands  
I would love to be yours again  
I can't love I can't live  
'Cause

I am the bat

I am a cancer, a plague and the cure  
I am a way out of everything that you fear  
I am an image of Christ on the cross  
I am a feeling that turns your flesh into sin

And you face my fears and fake  
And I fake my real face  
I'm odd and tired  
Lost in time  
I am the...

[CHORUS]

Anymore

[CHORUS]:

'Cause... I'm the bat
