Before you came i thought every man was the same  
Thinkin to myself that it's a dog gone shame  
Then when we first met  
I didn't quite know what to expect  
But we've been together ever since and i have no  
regrets

You mean so much to me  
Im so happy to be  
Your Woman  
Love is so had to find  
Which is why im thankful that im  
Your Woman

You and me somehow connected spiritually  
Connected mentally  
Connected physically  
And so i believe all the obstacles that we've  
Encountered along the way  
Makes us strong today

You mean so much to me  
Im so happy to be  
Your Woman  
Love is so had to find  
Which is why im thankful that im  
Your Woman

Many days i feard i would end up all alone  
Never finding a love i can call my own  
But then you came along and swept me off of my feat  
And for the first time in my life i feel complete

You mean so much to me  
Im so happy to be  
Your Woman  
Love is so had to find  
Which is why im thankful that im  
Your Woman

You mean so much to me

Im so happy to be  
Your Woman  
Love is so had to find  
Which is why im thankful that im  
Your Woman

You mean so much to me  
Im so happy to be  
Your Woman  
Love is so had to find  
Which is why im thankful that im  
Your Woman
