[by Monika Gyebnar]

Rolls of papyrus  
Turn to dust at the touch of my hand  
Dust falls to sand  
Sand of the ancient Egyptian land  
I see a storm  
As darkness fills the empty sky  
See thousands cry  
They slowly crawl in the mud of Nile  
Seth is thirsty for revenge  
Pain of his wounds brings the end  
Pours rain of melting diamonds  
On the people's praying hands  
And ash falls on the burning mown land  
I have a look  
How the gods left their land  
They've left their people alone  
In those evil hands  
Seth is still thirsty  
He wants to kill  
People fall to earth with  
Faces hidden in their hands  
Dust is thrown into the wind
