Move it to the music babe you know what to do
When the strings start playin girl it me and you
The dj starts the music and our dreams come true
Cause the way you move your bodies got me bullet
proof

PreChorus:

It's the same old dance with a new little twist
I'll show it to you once you pop those hip

Chorus:

Cause I know you go soul
Your rhythms maken me move
I can see you got style
Your rhythms maken move

Your looking quite exceptional you know I'm impressed
Now hold me like I'm fallen my damsel in distress
Tell me all about yourself now give me a name
Pretending like I know you's just part of my game

PreChorus x1

Chorusx2

Bridge:

Can you boogie down tonight
I promise I'll do it right
Can you boogie down tonight

Chorus x2
