(by The Human League)

You were working as a waitress in a cocktail bar  
When I met you  
I picked you out, I shook you up, and turned you around  
Turned you into someone new  
Now five years later on youve got the world at your feet  
Success has been so easy for you  
But dont forget its me who put you where you are now  
And I can put you back down too

Dont, dont you want me?  
You know I cant believe it when I hear that you wont see  
me  
Dont, dont you want me?  
You know I dont believe you when you say that you dont  
need me  
Its much too late to find  
You think youve changed your mind  
Youd better change it back or we will both be sorry

Dont you want me baby? dont you want me - oh  
Dont you want me baby? dont you want me - oh

I was working as a waitress in a cocktail bar  
That much is true  
But even then I knew Id find a much better place  
Either with or without you  
The five years we have had have been such good times  
I still love you  
But now I think its time I lived my life on my own  
I guess its just what I must do

Dont you want me baby? dont you want me - oh  
Dont you want me baby? dont you want me - oh

Dont you want me baby? dont you want me - oh  
Dont you want me baby? dont you want me - oh

Dont you want me baby? dont you want me - oh  
Dont you want me baby? dont you want me - oh

Dont you want me baby? dont you want me - oh  
Dont you want me baby? dont you want me - oh

Dont you want me baby? dont you want me - oh  
Dont you want me baby? dont you want me - oh
