(by Robert Palmer)

Said the fight to make ends meet  
Keeps a man upon his feet  
Holding down his job  
Trying to show he cant be bought

Ooh it takes every kinda people  
To make what lifes about, yeah  
Every kinda people  
To make the world go round

Someones looking for a lead  
In his duty to a king or to a creed  
Protecting what he feels is right  
Fights against wrong with his life

Theres no profit in deceit  
Honest men know that  
Revenge does not taste sweet  
Whether yellow, black or white  
Each and every mans the same inside

It takes every kinda people  
To make what lifes about, yeah  
It takes every kinda people  
To make the world go round  
Doo doo doo.....

You know that loves the only goal  
That could bring a peace to any soul  
Hey and every mans the same  
He wants the sunshine in his name

It takes every kinda people  
To make what lifes about, yeah  
It takes every kinda people  
To make the world go round  
Mmmm, every kinda people  
To make what lifes about
