"Modern Love"

(by David Bowie)

I dont want to go out
I wont stay in
Get things done

I catch a paper boy
But things dont really change
Im standing in the wind
But I never wave bye-bye

But I try, I try

Theres no sign of life
Its just the power to charm
Im lying in the rain
But I never wave bye-bye

But I try, I try

Never gonna fall for
Modern love - walks beside me
Modern love - walks on by
Modern love - gets me to the church on time
Church on time - terrifies me
Church on time - makes me party
Church on time - puts my trust in God and man
God and man - no confessions
God and man - no religion
God and man - dont believe in modern love

Its not really work
Its just the power to charm
Im still standing in the wind
But I never wave bye bye

But I try, I try

Never gonna fall for
Modern love - walks beside me
Modern love - walks on by
Modern love - gets me to the church on time

Church on time - terrifies me
Church on time - makes me party
Church on time - puts my trust in God and man
God and man - no confessions
God and man - no religion
God and man - dont believe in modern love
Modern love - walks beside me
Modern love - walks on by
Modern love - gets me to the church on time
Church on time - terrifies me
Church on time - makes me party
Church on time - puts my trust in God and man
God and man - no confessions
God and man - no religion
God and man - I dont believe in modern love

Modern love, modern love, modern love, modern love,
modern love, modern love
Modern love, modern love, modern love, modern love,
modern love, modern love

Modern love - modern love, walks beside me
Modern love - modern love, walks on by
Modern love - modern love, walks beside me
Modern love - modern love, walks on by
Never gonna fall for
Never gonna fall for
