(by Depeche Mode)

I'm not going down on my knees,  
Begging you to adore me  
Cant you see its misery  
And torture for me  
When Im misunderstood  
Try as hard as you can, Ive tried as hard as I could  
To make you see  
How important it is for me

Here is a plea  
From my heart to you  
Nobody knows me  
As well as you do  
You know how hard it is for me  
To shake the disease  
That takes hold of my tongue  
In situations like these

Understand me

Some people have to be  
Permanently together  
Lovers devoted to  
Each other forever  
Now Ive got things to do  
And Ive said before that I know you have too  
When Im not there  
In spirit Ill be there

Here is a plea  
From my heart to you  
Nobody knows me  
As well as you do  
You know how hard it is for me  
To shake the disease  
That takes hold of my tongue  
In situations like these

Understand me
