(by Supertramp)

So you think youre a romeo  
Playing a part in a picture-show  
Take the long way home  
Take the long way home

Cos youre the joke of the neighborhood  
Why should you care if youre feeling good  
Take the long way home  
Take the long way home

But there are times that you feel youre part of the  
scenery  
All the greenery is comin down, boy  
And then your wife seems to think youre part of the  
Furniture oh, its peculiar, she used to be so nice.

When lonely days turn to lonely nights  
You take a trip to the city lights  
And take the long way home  
Take the long way home

You never see what you want to see  
Forever playing to the gallery  
You take the long way home  
Take the long way home

And when youre up on the stage, its so unbelievable,  
Unforgettable, how they adore you,  
But then your wife seems to think youre losing your  
sanity,  
Oh, calamity, is there no way out?

Does it feel that you lifes become a catastrophe?  
Oh, it has to be for you to grow, boy.  
When you look through the years and see what you  
could  
Have been oh, what might have been,  
If youd had more time.

So, when the day comes to settle down,

Whos to blame if youre not around?  
You took the long way home  
You took the long way home...
