Forbidden love, relentless hope  
Karma connects between the souls  
Broken in pieces, time unfolds  
Torture for love is beautiful  
Lost to the slaves, that we've become  
Two souls divided by the sun  
Still one deception shines alone  
While this city burns beneath us

Hamunaptra  
Hamunaptra

Imprisoned hell, it separates  
Suspicious won't annihilate  
This well's emotion flowing full  
When nothing matters anymore  
And in these dreams we are complete  
The way a fantasy should be  
But all realities go wrong  
Life kills the loves conception

And nothing can bring it back again  
No, forever searching for an end

Hamunaptra  
Hamunaptra

Hamunaptra  
Hamunaptra  
Hamunaptra  
Hamunaptra

In Hamunaptra yeah  
The city of the dead

Resurrect the love you gave me  
It's the only way we can  
Where a moments lives forever  
In the city of the dead

In Hamunaptra yeah

In Hamunaptra yeah  
In Hamunaptra
