I know the darkness  
I know the darkness

I feel so cold, it has begun  
I really know, who is the one  
No one cares, no one believes  
What can be fair, take what you need

I know the darkness  
I know it well  
I know the darkness  
It's a private hell

I sense the love, I call the name  
I try to learn, I fight the blame  
Take my thoughts, take my regret  
Who is the king, collect your debt

I can see, I can see

I know the darkness  
I know it well  
I know the darkness  
It's a private hell

I hide the plan, I play the fool  
I count the time, until the rule  
Take my fears, take my home  
Just don't leave me here, I can't be alone

I know the darkness  
I know it well  
I know the darkness  
It's a private hell

I count the time

I know the darkness  
I know it well  
I know the darkness  
It's a private hell
