[Verse 1]

Imagine there's no heaven
It's easy if you try
No hell below us, above us only sky
Imagine all the people living for today

[Verse 2]

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for, no religion to
Imagine all the people living life in peace
Woohoo...

[Chorus]

You may say I'm a dreamer, but I'm not the only one

I hope someday you'll join us
And the world will live as one

[Verse 3]

Imagine no possessions
I wonder if you can
No need for greed or hunger, a brotherhood of man
Imagine all the people sharing all the world
Woohoo...

[Chorus]

You may say I'm a dreamer, but I'm not the only one
I hope someday you'll join us
And the world will live as one
