Verse 1:

And the truth is I don't know  
Wherever I'm gonna go  
I gotta find truth for sho  
Else what am I digging for?

Been Lookin at chu all day  
Been lookin for words to say  
Some feeling I just can't face  
But I'm say this anyway

Chorus:

Let's keep it together  
Hey  
I'm by your side  
I wanna do this right

Let's keep it together  
Hey  
I'll do what I can  
not always in my hands

Verse 2:

And maybe the time is now  
Though I think it's so funny how  
Unsure but act so proud  
All alone up in this crowd

And maybe that day would come  
Or maybe it's every one  
Layin down in the summer sun  
Countin my blessings - one

Chorus

Verse 3:

Feeling that beat in me

Knowin good things aint free  
Be want I want to be  
Remember my family

Been thinking bout if I fall  
For you or stand so tall  
Let?s keep it together yall

Chorus (extended)
