Love of my life, you hurt me,
You broken my heart, now you leave me.

Love of my life cant you see,
Bring it back bring it back,
Dont take it away from me,
Because you dont know what it means to me.

Love of my life dont leave me,
You've taken my heart and now desert me,

Love of my life cant you see,
Bring it back bring it back,
Don't take it away from me,
Because you dont know what it means to me.
You will remember when this is blown over,
And everythings all by the way,
When I grow older,
I will be there by your side,
To remind how I still love you
I still love you.

Hurry back hurry back,
Please bring it back home to me
Because you dont know what it means to me.

Love of my life,
Love of my life.
