Verse 1:

You're far far away from me
Don't know much about you
But I like what I see
We don't have to judge each other
We could just be
We could just breathe
Maybe wait and see
But in the meantime

Chorus:

Would you mind if I told you
I loved you tonight
Cuz it seems when you close to me
It's gonna be alright

Would you mind if I told you
I loved you just for tonight
Cuz it seems when you close to me
It's gonna be alright

Verse 2:

We've been in love before
haven't we
But past loves like past lives
It seems to me
We don't have to fear this moment
We could go slow
See where this goes
Cuz you never know
But in the meantime

Chorus
