Lying, cheating these fair weathered friends  
Trusted killers of the faithful, I opened up to you  
And I believed your every word, you seemed to care  
You seemed to care so sickly  
I know you know what you did to me  
Thoughtless actions covering your tracks at every turn  
You played your games, I count the cost  
Now pigs, get back in your trough

BACK OFF - you better beware  
BACK OFF - I'm warning you  
BACK OFF - cause now I don't care  
BACK OFF - malicious pigs

Watching, waiting you know who you are  
Guilty saviors always right and justified when wrong  
I can't believe the things you do, how do you live  
How do you live with yourself  
After all this do you wonder why  
Life's do faceless, time won't heal the wounds that you  
forget  
Out of my face with your abuse  
You've burnt me down to the fuse

BACK OFF - you better beware  
BACK OFF - I'm warning you  
BACK OFF - cause now I don't care  
BACK OFF - malicious pigs

And now I know, it wasn't me  
Malicious pigs, they never see,  
You better beware, I'm warning you,  
Cause now I don't care  
Malicious pigs

BACK OFF - you better beware  
BACK OFF - I'm warning you  
BACK OFF - cause now I don't care  
BACK OFF - malicious pigs  
BACK OFF - you better beware  
BACK OFF - I'm warning you

BACK OFF - cause now I don't care  
BACK OFF - malicious pigs

Malicious pigs  
Malicious pigs  
They never see, there's no remorse for you or me  
Malicious pigs  
When they're around they only wanna bring you down  
Malicious pigs  
Malicious

Malicious pigs
