I couldn't sleep last night  
There was something on my mind  
I lay there wishing in the dark  
Someone could tell me why  
If you love somebody  
from the bottom of your heart  
Why do you hurt each other  
How does it fall apart?  
An' then I've heard a voice  
as she sat down on my bed  
And I can still remember  
The words my mama said.

Â«Love can give, love can take  
Love can bend and love can break  
When you think it's over, it's not the end  
Don't give in, just be strong  
And please remember son, - my mama said, -  
There ain't no broken heart love cannot mendÂ»

My mama said, no one knows  
What your life has got in store  
You may go walking on the moon  
You may be rich or poor  
But I know for certain  
If you try to reach the stars  
Anything is possible  
Your dreams are what you are  
But when it comes to matters of the heart  
There is no guarantees  
All that I can say to you  
Is what my mama said to me

Â«Love can give, love can take  
Love can bend and love can break  
When you think it's over, it's not the end  
Don't give in, just be strong  
And please remember son, my mama said  
There ain't no broken heart love cannot mendÂ»

So one day in my lifetime

When my world falls apart  
I won't cry, I'll just tell my heart  
My heart:

«Love can give, love can take  
Love can bend and love can break  
When you think it's over, it's not the end  
Don't give in, just be strong  
And please remember son, my mama said  
There ain't no broken heart love cannot mend  
There ain't no broken heart love cannot mend»
