Like a soldier on parade, walking green and unafraid,
Met a painter been my friend for years.
He was gazing out to see, mixing moonlight with a twist
of tears.
Told me tales of faith and hope, have you seen the
Antelope,
Ever running in those Spanish caves?
Lovers passed us hand-in-hand,
Time to go now said the Rainbow man.

Pre-Chorus

Tonight there are so many stars; I can't count them
all,
I'm waiting to catch one should it fall.

Chorus

Round and round,
Say I will know I can,
Rainbow Man I believe in you,
Tumble down love, come what may,
If it's blue skies, grey days,
You'll always be there.
Saw a poet in a glade, tearing up the words he made
Said it's pointless no one understands,
Got a note I've built a boat and gone sailing with the
Rainbow man.

Pre Chorus

Tonight there are so many stars; I can't count them
all,
I'm waiting to catch one should it fall.

Chorus

Rainbow Man,
Say I will know I can,
Rainbow Man I believe in you,
Tumble down love, come what may,
If it's blue skies, grey days,

You'Il always be there.

Round and round,
Say I will know I can,
Rainbow Man I believe in you,
